Welcome to the B.Ed. Program

Growth of knowledge, digital revolution and globalization has set the agenda for universities to design their curriculum in accordance with changing societal needs. Keeping in view this philosophy, the Faculty of Education has been successful in conceiving, designing and developing a B.Ed program in accordance with the contemporary needs. This program is student–centric, market driven and duly approved by the National Council of Teacher Education (NCTE). The motive is to make ready that cadre of teachers who through their versatility can create their own niche to help to teach students towards a holistic development of their skills, both professional and soft. Thus, on one hand inculcation of higher degree of teaching skills are aimed at and on the other hand, a sense of social and ethical responsibilities are augmented.

In nutshell, the B.Ed program of the ICFAI University is meant for those who really believe in transforming the society through effective transmission of knowledge to the progenies in a sincere and dedicated manner. It is also meant for those who keep the spirit to convert the perception of teaching from dull, passive and monotonous job into an active, thrilling and dynamic profession.

We invite you to join us in our endeavor to make you learn and develop an all round personality to stand as role model before the students.

Chairman
Admissions Committee
The ICFAI University, Dehradun

The ICFAI University, Dehradun (IUD) was established, through an Act of the State Legislature of Uttarakhand and is recognized by UGC under Section 2(f) of the UGC Act. IUD is a member of the Association of Commonwealth Universities, London, and also in the Association of Indian Universities, New Delhi.

Campus Infrastructure

The campus is lush green spread over 25 acres site at Selaqui, near Dehradun. It has 2.5 lakhs sq. ft. of built-up area with academic blocks, workshops, laboratories, faculty rooms, auditorium, seminar halls, computer labs with latest computing facility, well equipped library, canteen, sports and recreation facilities. The campus also provides latest teaching aids and is Wi-Fi enabled. IUD is being widely recognized as an institution devoted to quality research and teaching. The University gives utmost importance to Industry-University interface.

Fee concession to domicile students of the State of Uttarakhand.

All domicile students of the State of Uttarakhand are offered fee concession. For details, please refer page no. 10.
Faculty of Education

Faculty of Education, the ICFAI University, Dehradun was established in 2006 to promote quality education, research, training and consultation in teaching & training with a global perspective to meet the challenges of the fast changing trends in the field of Education. Faculty of Education aims at developing a new cadre of teaching professionals through a rigorous full-time program. It realizes the individual differences in teacher trainees and consequently attempts to provide specially designed training programs that will facilitate development of necessary abilities and skills in each teacher trainee so that they will be able to meet the challenges of the competitive era ahead of them in the best way possible.

The teacher trainees are encouraged to develop a research orientation of mind that would help them identify innovative approaches to the teaching learning process. Every trainee has an opportunity to hone their skills by obtaining and synthesizing essential knowledge, principles and concepts from various disciplines and testing their validity in dealing with issues related to education.

As a professional institution of teaching, the Faculty of Education has a responsibility to prepare qualified professionals in teaching and academic leadership. It is expected that the students seeking admission should accept the responsibility to adhere to the highest ethical standards and code of ethics prescribed by Faculty of Education.

Objectives

- To develop the profession of teaching on sound ethical lines through rigorous standards, certification and continuing education.
- To develop new-cadre of teachers who will be competent enough to meet the demands of future teaching-learning scenario.
- To develop, nurture and maintain close inter institutional relationship with other institutions interested in a similar effort from India and abroad.
- To motivate young graduates towards teaching profession.
- To provide innovative teachers training program for both pre-service and in-service teachers.
- To bring qualitative development in both pedagogical and epistemological areas of teacher education.
- To prepare and support leaders in public and private educational institutions.
- To provide guidance in exploring new approaches to teaching learning situations.
- To design and promote new teaching strategies for teacher education program.
- To provide consultancy to school management in both academic and co-curricular activities.

NCTE Approval

The B.Ed. Program offered by the Faculty of Education, the ICFAI University, Dehradun has been approved by the National Council for Teacher Education (vide letter no. FNRC/NCTE/F-7/UR-31/30623064 code No. APN-01572 Dt. 25th July 2006 (please visit NCTE website http://www.ncte-india.org/recoginst.htm).
Program Concept

Faculty of Education has conceived and developed a unique B.Ed. Program to train the teachers to meet the challenges of emerging trends and competitive environment. The curriculum and pedagogy adopted are exploratory and reflective in nature. An applied approach to learning is followed keeping in view the national and international standards of education. Emphasis is given to holistic development of the students to meet the ever-changing demands of education through our one year full-time program. The Prospective Teachers receive a unique opportunity by engaging them actively and thoughtfully in the relevant process and issues in education. The purpose of this curriculum is to develop the domain of knowledge, teaching skills, IT skills and soft skills within the behavior of the prospective teachers. Students are trained in computer aided learning ambience where they get an opportunity to appreciate the application of IT in school education.

Program Highlights

- Curriculum is made-up of Foundational, Professional, Experiential learning and Elective courses
- Revised and updated curriculum every year
- Competent, committed and experienced faculty
- Unique teacher internship program
- Modern separate labs for Science and Psychology
- Social Studies, Educational Technology
- Computer lab with latest infrastructure and Multimedia and internet connection to all computers in the computer lab.

Unique Features of the Program

The B.Ed. Program is unique as the curriculum not only provides foundational and professional knowledge courses but also provides experiential learning in the form of:

- Intensive teaching workshops
- Pedagogical methods
- Creativity in teaching
- Project Based learning with multimedia
- Soft skills training
- Communication skills
- Counseling and mentoring skills
- Human skills
**Program Structure**

The B.Ed. Program is designed to develop leaders for tomorrow in the field of education. To meet this challenge the curriculum is organized around three specific academic components. The program structure comprises of foundation courses, experiential learning courses, methodology courses and elective course.

Teaching and Evaluation Methodology

Faculty of Education believes in concentric learning approach that is specifically designed to facilitate ‘learning for wisdom and understanding’. The approach adopted aims at imparting intellectual and creative skills to the learners in an integrated and well-processed manner. The educational methodology followed here is an optimal blend of innovative teaching approaches that strengthen the stance of the learners in the age of mounting competition. It includes the following:

**Classroom Instruction:**
Students receive classroom instruction, which help them to learn and consolidate their understanding of the subjects.

**Independent Study:**
Students are encouraged for self-study so that they can develop critical analytical skills.

**Intensive Teaching Workshops:**
Students undergo training in intensive teaching workshops that facilitate minds-on learning in them.

**Soft Skills Development:**
Soft Skills are provided to all students by allotting significant part of its curriculum on soft skills development. This will help them in their overall personality development.

**IT Labs:**
In the age of technological revolution, Faculty of Education realizes the need to train its students on IT skills through its specially designed IT Labs, which are equipped with latest hardware and software infrastructure. Round the clock internet facility is available for the students for continuous search of knowledge.

**Seminars:**
Students are encouraged to take part in seminars on various topics related to education. The faculty evaluates these seminars and provides necessary inputs to the students for further improvement.

**Talk Fests:**
Faculty of Education has created a niche for itself in imparting quality teacher education program through its Talkfest Program. The objective behind talkfest is to instill a research bent of mind among the students by helping them gain a pragmatic understanding of contemporary pedagogy.

**Mentoring Sessions:**
Faculty of Education believes in developing its prospective teachers into complete individuals with harmonious development of personality. In an attempt to realize this objective, each student is attached to a mentor who will provide individualized assistance to the students in developing skills and competencies to emerge triumphant in all spheres.

**Assignments:**
Students are given assignments on regular basis so that they will be able to learn what has been taught to them in an effective manner.

**Projects:**
Faculty of Education believes in promoting hands-on learning among its students through various projects like Teacher Internship Program (TIP), School Management Program (SMP), Action Research Project (ARP), and Case Study.

**Examinations:**
Continuous Comprehensive Evaluation (CCE) system is adopted. The evaluation process serves to assess and certify student’s
understanding of the subject and their level of knowledge and skills.

**Teacher Internship Program**

The Teacher Internship Program (TIP) forms an important component. TIP, which is a simulation of real work environment, requires the student to undergo the rigors of professional environment both in form and substance.

**School Management Project**

School Management Project (SMP) is a 12 days program wherein the trainee acquires in-depth knowledge in the management of an educational institution. SMP intends to provide an “On-Job-Training” opportunity through involvement in real time project. SMP involves developing strategies to enhance the quality of performance at the existing academic institutions.

**Action Research Project**

Action Research Project (ARP) focuses on developing solutions for the day-to-day problems faced by the students/teachers in schools. The B.Ed. trainees are encouraged to undertake research projects that will help them identify new techniques and strategies for effective teaching.

**Case Study Project**

This approach helps the B.Ed. trainee to have an overall picture of the child’s environment and to have an observation of child’s health and physical, mental emotional and social development from conception up to data collected.

**FedUni Journal of Higher Education**

The University publishes a journal of higher education every quarter, named as *FedUni Journal of Higher Education*. This academic quarterly deals with latest developments, emerging trends and research findings on various facets of higher education.

**Placements**

The Faculty of Education gives utmost importance to ensure success to the B.Ed. graduates to achieve suitable placement through campus selection. For achieving success in this area it has developed a strong network with the reputed schools of the region. A strong placement cell works for developing a network by conducting seminars, internships, projects and other initiatives. All pass out graduates of the last five batches have been placed in leading schools of Uttarakhand and other States.
Admission Procedure

Admission to the B.Ed Program of Faculty of Education, the ICFAI University, Dehradun is based on admission test and personal interview conducted by a committee constituted for the purpose. The goal of the Admissions Board is to select students who show intellectual capacity, demonstrate leadership ability and possess personal characteristics that best equip them to become efficient and effective teachers.
