The poster features a dark blue background with a glowing blue grid pattern. At the top left is the ICFAI University Dehradun logo, which includes the text 'ICFAI UNIVERSITY DEHRADUN Accredited by NAAC'. At the top right, a green box contains the date 'JUNE 07, 2020 SUNDAY' and the time '1:00 PM-2:00 PM Noon'. The central text reads 'DIGITAL RISK' in large green letters, followed by 'KEY TO BUILD A RESILIENT DIGITAL ENTERPRISE' in yellow. A portrait of Mr. Vishal Jain, Partner at Deloitte India, is shown on the right. The registration link 'bit.ly/ICFAIwebTalk5' is at the bottom center, accompanied by a QR code and the word 'Registration' written vertically. The website 'www.iudehradun.edu.in' is on the left, and '#ICFAIwebTalk Series 5' is on the right. At the bottom, technical support is provided by Mr. Akhilesh Singh and the program is convened by Prof. Amit Das.

Vishal is a Partner in the Risk Advisory function and leading the Risk Advisory portfolio of Digital for Deloitte India. He is based out of Mumbai office.

During his 23+ years advisory professional career, he has gained rich experience in Cybersecurity and also instrumental in conceptualizing and developing capability for critical service offerings, such as digital risk service portfolio, data privacy, telecom security, business resilience and vendor risk management.

His engagement delivery portfolio ranges from security strategy & governance to technology risk and business operations. He has managed and delivered multiple projects in the areas of Data Privacy, Business Resilience, Network Advisory and Revenue Assurance. Currently, he is driving the digital risk agenda for the clients who are taking up Digital Transformation programs.

Vishal is an engineer in Electronics and holds a Post-Graduate Diploma in Telecom Management. He has been awarded honorary title of ISO/IEC certified Privacy Professional (PIPP), by Data Security Council of India (DSCI).

Industry experience Technology, Media & Telecommunications; Consumer & Industrial Products
