Message from the Chancellor

Greetings!

The ICFAI University Dehradun, established in 2003, has evolved as an outstanding and excellent centre of education that grooms its students into innovative and ethically grounded individuals, capable of facing challenges of life with special emphasis on globally competitive environment. The present time is characterized by science, technology, globalization and modernization. Our life is influenced by these factors. The University is dedicated to enhance human potentials to lead a life enriched by these four dimensions in a balanced way.

It has a vibrant 25 acres campus at the foothills of the Himalayas and aims to excel as a premier University for students who seek knowledge and wisdom.

The University, since last fifteen years, is diligently working on its mission of providing high level, professional, postgraduate and undergraduate programs characterized by innovative and career-oriented approach. The University offers relevant applied learning experiences to its students through research, internships, and community outreach projects.

The University believes in providing equality of opportunities, which is the essence of participatory democracy, to help not only to remove the sense of alienation and neglect in the backward regions but also prevent migration from the hilly areas of Uttarakhand. The University campus is emerging as a potential hub to impart education, training and entrepreneurship development skills, to the youth, women and marginalized sections of society.

One of the special features of the ICFAI University is that it believes in holistic growth and offers appropriate opportunities to the student for complete development of their personality. A number of significant clubs such as "Campus to Corporate", "Yoga and Meditation", "Trekking and Adventure", "Book Reading and Photography", "Debating", "Protecting Environment", "Cultural" and "Sports" are there to ensure proper channelization of students' energy and interest in the right direction. This kind of the endeavor has tremendous value towards holistic growth and development of the youth. Our society needs services of young generation who possess healthy body, sharp intellect and noble character. The vibrant campus life of University is a boon to fulfill the cherished dream of any student to march ahead in the path of progress and prosperity.

The Alumni Association of the ICFAI University plays a vital role for the enhancement of skill and knowledge of the students of the University. The Alumni are holding responsible positions in different industries and Government services and are source of motivation for the present batch of students. They also provide Industry feedback which helps to upgrade our curriculum.

The ICFAI University, Dehradun, with an aim to align itself to the knowledge-based economy, has been working in close association with the industry. This will help the students to move up the value chain. We will continue our pursuit of excellence in our academic offerings, through cooperation and commitment of all our stakeholders.

Dr. M Ramachandran
Chancellor

Message from the Vice Chancellor

Greetings!

I feel privileged to present the Fifteenth Annual Report 2017-18 of the ICFAI University, Dehradun. The report covers various activities of the University from April 1, 2017 to March 31, 2018.

All academic activities in the ICFAI University, Dehradun (IUD) are focused towards developing professionally competent, highly skilled and well-rounded socially conscious citizens. Skills cultivated, both professional and soft, during the program are of high quality.

The University has state-of-the-art facilities including classrooms, labs, workshops, libraries and cafeteria. To ensure highest academic standards, teaching faculties are drawn from IITs/NITs and top Universities. A large number of faculty members are either Ph.D. or have rich academic and industry experience.

IUD is ranked 4th among Uttarakhand Universities and 82nd at All India Level by Education World Survey of 2017. It is rated AAA+ among Uttarakhand Private Universities by Careers 360, 2018. ICFAI Law School, IUD is ranked 1st in Uttarakhand by Careers 360, 2018 and India Today, 2018, and 4th among the Top Private Law Colleges of North Zone by the Week 2018. ICFAI Business School (IBS), IUD is ranked 7th among the Top B-Schools in North Zone by Silicon India B-School Survey 2018, and is awarded a rating of AAA among the Top Private B-Schools in Uttarakhand, by Careers 360, 2017. ICFAI Tech School, IUD is ranked 1st in Uttarakhand by India Today 2018 and NPTEL 2018, rated AAA+ at All India Level by Careers 360, 2018. The placements for the Class of 2018 have significantly improved.

Almost all administrative staff and a number of faculty members are from Uttarakhand. The University therefore contributes to employment generation, which benefits the State. The University also offers fee concession to the domicile students of the State.

The ICFAI University, Dehradun gives utmost importance to community service. Our students frequently visit primary and upper primary schools in the nearby villages and extend help and support to the students in their education, who are from rural poor households. The Law students visit the nearby localities/villages to create legal awareness among the inmates/citizens about their rights and responsibilities. Students have also received awards and recognitions for outstanding performance in Debates, Moot Court, Quiz and sports competition, at the State level.

The University is Accredited Training Partner for GST by National Academy of Customs, Indirect Taxes and Narcotics (NACIN), an Apex Institution of Government of India for capacity building in the field of Indirect Taxes.

The University believes in continuous interactions of faculty / students with renowned personalities in the field of industry and academia. A number of seminars, conferences, workshops and guest lecturers are conducted to facilitate such interactions. The University is immensely benefitted by the visionary inputs and progressive suggestions of our Chancellor Dr. M. Ramachandran, IAS (Retd.) and the Members of the Board of Governors. We are grateful to them. We are also thankful to the Members of the Board of Management, Academic Council, Research Committee and Board of Studies for their guidance and valuable inputs.

I thank the press and media fraternity for their continuous support. Last but not the least, I also express my gratitude to all the faculty members and non-teaching staff of the University for their active participation and support towards achieving the set goals of IUD.

Dr. Pawan. K. Aggarwal

Vice Chancellor

1. Introduction

The ICFAI University Dehradun, Uttarakhand was established under the provision of the ICFAI University Act, 2003 (Act No.16 of 2003), vide notification No. 908/Higher Education/ 2003-3 (16) /2003 dated 23.09.2003 of the Government of Uttarakhand. The University is sponsored by The ICFAI Society (formerly The Institute of Chartered Financial Analysts of India), a not-for-profit educational society established in 1984 under the Andhra Pradesh (Telangana Area) Public Societies Registration Act, 1350 F (Act 1 of 1350F). The University emphasizes on providing high quality and industry relevant education in the areas of Management, Science and Technology, Law and Education. The ICFAI University, Dehradun is a Member of the Association of Commonwealth Universities, London as well as the Association of Indian Universities, New Delhi.

2. Vision & Mission

Vision: Merit with Ethics

The Vision of the University is to inculcate an approach through continuous and proactive endeavors, in acquiring domain knowledge, professional skills and positive attitude and to promote amongst faculty members a strong culture of creation of knowledge through higher learning and research.

Mission

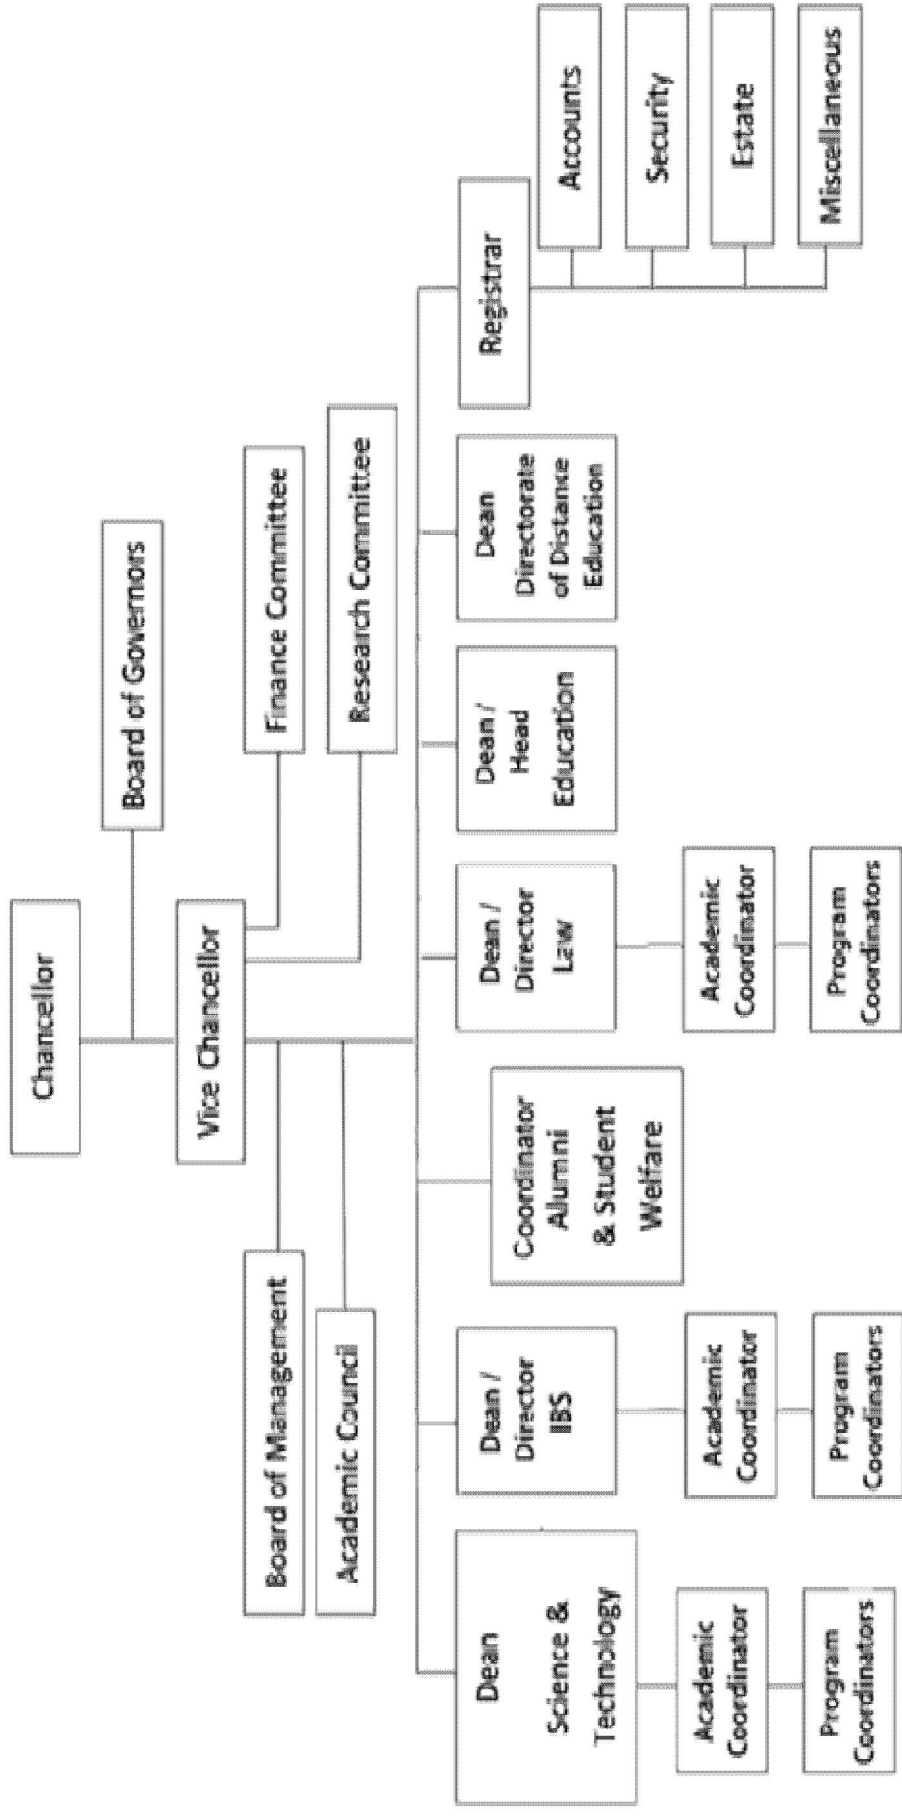

The Mission of the University is to offer world class, innovative, career-oriented professional post graduate and undergraduate programs through inclusive technology-aided pedagogies to equip students with the requisite professional and life skills as well as social sensitivity and high sense of ethics. The University strives to create an intellectually stimulating environment for research, particularly in the areas bearing on the socio-economic and cultural development of the state and the nation.

3. Governance

The ICFAI University, Dehradun is a professionally managed University established by the Act of the State Government. All the statutory bodies are constituted in accordance with the Act, Statutes and Rules of the University. The Governing body members are all professionals and are not related to the Chancellor or Chairman of the Sponsor Society. They meet regularly to review the operations of the University. Issues pertaining to institutional development, long-term strategies, programs to be developed, human resources, staff recruitment, training and development and financial matters are discussed at these meetings. Appropriate decisions are taken and guidelines given for their implementation with the objective of achieving academic excellence. The organizational structure (organogram) of the University is presented on page 7.

The ICFAI University, Dehradun
Organogram

Officers of the University

- | | |
|----------------------------|---|
| i. Chancellor | Dr. M. Ramachandran , IAS (Retd.) MA (Eco), M.Phil (University of Glasgow), Ph.D Ex-Secretary, Ministry of Urban Development, Govt. of India, New Delhi. Ex-Chief Secretary, Govt. of Uttarakhand, Dehradun. |
| ii. Vice Chancellor | Dr. Pawan K. Aggarwal , Ph.D (Delhi School of Economics), Ex-Associate Pro-VC, IMS Unison University, Ex-Director, IMS Dehradun, Ex-Deputy Chief of Party, USAID REFORM Project, Ex-Professor, National Institute of Public Finance and Policy, New Delhi. |
| iii. Registrar | Col. (Retd.) A K Dutta |
| iv. Finance Officer | Mr. V. Bharadwaja |

Authorities of the University

The major decision-making authorities are:

1. **Board of Governors:** The Board of Governors is the principal governing body of the University, of which the Chancellor is the Chairman. All other members are persons of eminence and high reputation in their disciplines.
2. **Board of Management:** The Board of Management is the principal executive body vested with the power to manage and administer all affairs including revenue and properties, as well as administration of the University.
3. **Academic Council:** The Academic Council is the principal academic body responsible for maintaining standards of education in teaching, training and research, and examinations of the University.
4. **Finance Committee:** The Finance Committee monitors all financial matters and advises the Board of Management on effective Financial Management of the University.
5. **Research Committee:** The Research Committee is the principal body of the University dealing with all matters related to Ph.D. programs across all disciplines.

Members of the University Authorities

I. Board of Governors

The Board of Governors shall meet at least three times a year.

Chancellor – Chairman	Dr. M. Ramachandran
Vice Chancellor - Member Secretary	Dr. Pawan K. Aggarwal
Principal Secretary / Secretary of the State Government in Higher Education	Shri. Ranbir Singh, Principal Secretary, Higher Education, Govt. of Uttarakhand
Three persons, nominated by the ICFAI Society, Hyderabad	1. Prof. R.P. Kaushik, Former Indian Ambassador, Turkmenistan, Ex-Prof JNU, New Delhi 2. Dr. J. Mahender Reddy, Vice Chancellor, IFHE, Hyderabad 3. Dr. T.R.K. Rao, Former Chief General Manager, NABARD; Former Director, ICFAI School of Marketing Studies, Hyderabad
A Nominee of the UGC	Nomination Awaited
Two eminent educationists and academicians, out of whom at least one should be a woman, nominated by the Visitor	1. Prof. J. Ranganathan, (Dept. of History) Loyola College, Chennai 2. Dr. Madhu Kaul, Former Principal, Govt. Home Science College, Chandigarh
Two academicians, out of whom at least one will be a woman, nominated by the Chancellor	1. Prof. Rupa Shah, Former VC, SNDT University, Mumbai and Director, International Knowledge Park Pvt. Ltd., Mumbai 2. Dr. R.P. Mohanty, Former VC, Siksha'O'Anusandhan University, Bhubaneswar
Registrar - Secretary	Col. (Retd.) A K Dutta

II. Board of Management

The Board of Management shall meet at least four times a year.

Vice Chancellor – Chairman	Dr. Pawan K. Aggarwal
Four persons, nominated by ICFAI, Hyderabad	1. Dr. A. H. Kalro, Director, AES PGIBM, Ahmedabad 2. Dr. S. Venkata Seshaiyah, Director, ICFAI Business School (IBS), Hyderabad 3. Dr. A. V. Narsimha Rao, Director, ICFAI Law School, IFHE, Hyderabad 4. Prof. Biplab Halder, Pro-VC, The ICFAI University, Tripura
Two Deans of the faculties as nominated by the Chancellor	1. Dr. H M Mittal, Dean, ICFAI Law School, IUD 2. Nomination awaited
Principal Secretary/ Secretary of the State Government in Higher Education	Shri. Ranbir Singh, Principal Secretary, Higher Education, Govt. of Uttarakhand
Registrar-Secretary	Col. (Retd.) A K Dutta

III. Academic Council

The Academic Council shall meet as often as may be necessary.

Vice Chancellor – Chairman	Dr. Pawan K. Aggarwal
Deans of all the Faculties	1. Prof. (Dr.) H.M. Mittal, Dean, ICFAI Law School, IUD 2. Dr. Sandip Vijay, Associate Dean, ICFAI Tech School, IUD
Four outside experts nominated by the Chancellor	1. Justice K.D. Shahi, Retd. Judge, High Court, Allahabad 2. Dr. B.K. Joshi, Former Vice Chancellor, Kumaon University. 3. Dr. Debashish Ghosh, Head of the Department of Electronics, IIT Roorkee 4. Dr. D.P.S. Verma, Ex-Prof., Delhi School of Economics
Registrar- Secretary	Col. (Retd.) A K Dutta

IV. Finance Committee

The Finance Committee shall meet as often as necessary.

Vice Chancellor - Chairman	Dr. Pawan K. Aggarwal
Registrar - Secretary	Col. (Retd.) A K Dutta
Finance Officer	Mr. V. Bharadwaja
Principal Secretary / Secretary of the State Government in Higher Education	Shri. Ranbir Singh, Principal Secretary, Higher Education, Govt. of Uttarakhand
One Nominee of the Sponsor	Ms. Y. Ratna Bhanu

V. Research Committee

Dr. Pawan K. Aggarwal	Chairman
Prof. V.J. Byra Reddy	Member
Dr. Rattan Raina	Member
Dr. Sandip Vijay	Member
Dr. Vishal Gupta	Member Secretary

VI. Distance Education Committee

Vice Chancellor - Chairman	Dr. Pawan K. Aggarwal
Dean - Distance Education	Wg Cdr M. Rajgopal
Academic Coordinator	Prof. Puneet Garg
Registrar - Secretary	Col. (Retd.) A K Dutta

Meetings of University Authorities

University Authorities	Board of Governors	Board of Management	Academic Council	Finance Committee	Research Committee	Distance Education Committee

4. Accreditations

University Grants Commission (UGC): The University is recognized under Section 2(f) of the UGC Act, 1956.

Bar Council of India (BCI): The three-year and five year Law Programs offered by The ICFAI Law School, The ICFAI University, Dehradun are approved by Bar Council of India.

National Council for Teacher Education (NCTE): The National Council for Teacher Education has accorded approval to run the 2 year B.Ed. Program offered by ICFAI Education School, the ICFAI University, Dehradun [vide DO No. F.1-1/2014 (Teacher Education) Dt. 02nd January 2015].

The ICFAI University, Dehradun is a Member of the Association of Commonwealth Universities, London and the Association of Indian Universities, New Delhi.

5. Campus and Infrastructure

The ICFAI University, Dehradun (IUD) has a lush green campus spread over 25 acres at Selaqui, Dehradun. It has around 2.3 lacs sq. ft. of built-up area with academic blocks, workshops, laboratories, faculty rooms, auditorium, seminar halls, computer labs with computing facilities, library, canteen and sports and recreation facilities. The campus also provides latest teaching aids and is Wi-Fi enabled. The University is being widely recognized as an institution devoted to quality research and teaching. It gives utmost importance to Industry-University interface.

The University believes in creating and disseminating knowledge and skills in core and frontier areas through innovative educational programs, research, consulting and publishing and developing a new cadre of professionals with a high level of competence and deep sense of ethics and commitment to the code of professional conduct.

A number of full time campus based educational programs are offered in Management, Science and Technology, Education and Law at Bachelors, Masters and Ph.D. levels.

Library Facilities

The campus has a state-of-the-art Centralized Library along with a specialized Law Library. Both the libraries are fully computerized along with Internet facilities.

The University Central Library contains reference materials, Indian/ International books and magazines. Subscription to industry information database ensures that extensive research resources and publications with search facilities are available to students and faculty. In addition, it contains directories, industry reports and statistical compilations that provide timely and concise information for project work. The law library has up-to-date volumes of All India Reports, Criminal Law Journal, Taxation Law Reporter, Consumer Protection Reporter, Current Civil Cases, All Indian Rent Control, Supreme Court Cases (Weekly), Supreme Court Cases (Criminal), Supreme Court Cases (Labour), Indian Bar Review, Yale Law Journal, Harvard Law Review, International & Comparative Law Quarterly, Cambridge Law Journal and other publications. The students also have access to a vast array of books of other interests which are available from the University Central Library. The library also provides online legal resources such as Manupatra, EBSCO, etc.

The library facilities are open to all students and faculty members and are continuously updated with the latest books and journals.

IT Infrastructure

IT Facilities: IUD emphasizes on the use of IT for teaching and in its operations. Consequently, it has deployed modern

IT hardware and software on campus. Keeping the rapid obsolescence in IT hardware, software, and technologies, IUD constantly upgrades its IT infrastructure. IUD campus has added one computer lab which is used for ANSYS & Pro-E software.

The faculty uses the computing facilities for teaching and research, while the staff uses Intranet and IT for enhancing the productivity of their operations and providing superior services to the students, faculty, and other staff members. The computers on the IUD campus are networked and have e-mail and Intranet facilities. The computers offered to the faculty and staff has been provided with standard office productivity software and antivirus.

Intranet: IUD, with its Wi-Fi enabled campus, uses IT for planning and dissemination of information. It has developed an Intranet for organizing its operations more effectively and efficiently. It helps to provide better services to students and better utilization of the University resources.

Computing Facilities: IUD has more than 350 Personal computers - with Pentium Core i5, Core 2 Duo and Dual Core processors - and servers of IBM, HCL and SUN make. The other hardware in the computer centers of the IUD campus includes CD Writers, Data Modems, Scanners, Network Printers, and LaserJet Printers. The operating systems used in the IUD campus are Windows 7, 8, 8.1, Windows 2003, Professional Red Hat Linux 6.5, and Solaris. The application software available in the IUD campus includes Office 2013, Acrobat Reader 17, FrontPage 2003, Turbo C/C++, JAVA 2.0, Visual Basic 6.0, Oracle 10g server and client, SQL Server and client, IBM DB2, MATLAB 7b, Autocad 2016, IBM web sphere, Adobe Photo Shop, Adobe Page Maker, Macro Media Flash, Oracle ERP application server, Tally, and Focus. IUD also has statistical/simulation software tools like SPSS which students and faculty are using for their research and analysis work. Students, faculty, and staff are given access to all the computing facilities. Packet tracer and Wireshark are being used for networks and security lab.

New Technology Infrastructure: The entire campus is Wi-Fi enabled. Students have the option of using the internet access anywhere in the campus. The IT labs are equipped with the latest software and hardware. The University has 50 Mbps internet bandwidth for the use of students, faculty and staff. The internet facility has been provided to all the students for their academic and research work. Computers are provided to all the teaching staff in their rooms. The facilities are upgraded regularly, based on requirement, to avoid technological obsolescence.

Photocopying and Printing Facilities: IUD provides photo copying and printing facilities both for the students and for the faculty and staff. A separate facility is provided for the students within the IUD campus. Similarly, students and the faculty also have access to document scanning and CD writing facilities.

Hi-Tech Innovative Labs: The following hi-tech specialty labs have been set up at IUD:

- **Texas Instrument (Lab) by Texas Incorporation, USA:** to facilitate imparting of knowledge about Wi-Fi Technology and Internet of Things (IoT)

- **Northern Region Hub by FOSS Project (Ministry of HRD), IIT Bombay:** To help in conducting workshops and symposiums, jointly sponsored by ICFAI University-Dehradun and FOSS Project, IIT Bombay, in four States (UP, UK, HP and J&K)
- **Knowledge Partner, FOSS Project (Ministry of HRD), IIT Bombay:** To facilitate use of FOSS (Open Source Software) for developing course material online.
- **E-Yantra Robotics Lab by IIT Bombay:** To facilitate establishing Robotics Incubation Centre that serves as knowledge & resource centre for robotics.
- **Virtual Lab Resource Center by IIT Delhi:** To facilitate imparting knowledge to engineering graduates about conducting different types of experiments and use of simulators.

Health Centre: First Aid room and one ambulance are functional at the campus. A medical practitioner visits the University regularly and remains available thrice a week.

Placement Cell: Full time placement cells are in place to look after the placement activities and summer internship programs of the students across all disciplines.

Hostel Facilities: University has contracted Boys and Girls Hostels with amenities as 24 Hr power back up, Wi-Fi Facility, Sports and recreation facilities, Mess, First-aid, Washing and transportation to and from University. A resident faculty acts as warden. Tie up with local dispensaries/doctors has been done to take care of emergency medical care for the inmates.

Sports and Recreational Facilities: Indoor and outdoor facilities for sports and recreation are available. These activities help the students to lead a balanced life style and simultaneously enhance the leadership skills and team work. University has a sports ground for playing football, hockey and cricket. It has Badminton, Basketball and Tennis courts besides indoor table tennis rooms and gymnasiums for boys and girls.

Virtual Reality Tour: The University has developed a 360° Virtual Reality walk-through. All the prospective students and other stakeholders can now browse the virtual tour of the campus infrastructure and other facilities at www.iudehradun.edu.in

6. Faculties and Programs

ICFAI Business School (IBS):

IBS is committed to provide quality education and training in the field of management. The IBS faculty aims at providing high quality, value based career oriented education to the students in terms of market needs.

MBA Program

The MBA Program has been ranked as 'Outstanding Excellence-2' amongst the Top B-Schools in Group Rank 2016 (Private) by CSR -GHRDC B-Schools Survey, 2016. Careers 360 B-School Survey has awarded State rating of AAA amongst the Top Private B-Schools in Uttarakhand (2017). Silicon India 2017- B-School Rankings Survey has awarded an All India Rank of 29 (Category A++).

IBS students are closely involved in all forms of industry interface and gain hands-on experience, which leads to a more correct understanding of management concepts and practices. They are encouraged to organize seminars, management meets and workshops which develop managerial and organizing skills in them so that they can become tomorrow's business leaders.

IBS believes in creating opportunities for its students to apply academic knowledge to real-life scenarios. All students are required to take up Summer Internship Program (SIP) at reputed organizations. Through this, students not only learn more but can also complete a meaningful value added project for the company which may lead to final placements.

Summer Internship Program (SIP): Summer Internship Program (SIP) forms an important component of the MBA Program. It is an attempt to bridge the gap between academics and the corporate world. Under this program, students undertake a 14-week internship at reputed organizations during the period between the close of Semester II and the commencement of Semester III. It requires students to undergo the rigors of a professional corporate environment. SIP exposes the students to technical skills and helps them to acquire social skills by

bringing them into contact with real professionals. For proper coordination and to ensure smooth conduct of the program, each student is placed under a faculty guide. A representative of the industry/ organization also guides the students and assists the faculty in monitoring the students' progress.

Career Management Center at the campus helps the students in sourcing projects. Over the years, IBS has gained extensive corporate support, with the result that summer projects have been diverse, challenging and mutually beneficial to both the students and the corporates.

ICFAI Tech School

ICFAI Tech School faculty comprises competent faculty members in all areas of science and engineering with rich experience in academia and industry. At present, there are 23 full-time faculty members. The numbers of faculty members with Ph.D. and M.Tech/M.E/M.S qualifications are 6 and 17 respectively. ICF AI Tech School, IUD has been awarded AAA by Careers 360 (2017) and is among the top 150 Engineering Institutions of India with a rank of 128 as per i3RC Times Survey (2017).

ICFAI Tech School has contributed a number of research papers in national and international journals along with paper presentations at conferences. Faculty members are engaged in research broadly in the areas of Image Processing, Wireless Communications, Power Systems and Fuzzy Logic, Data and Web Mining Techniques, Network Security, Object Oriented

Systems and Adaptive Algorithms, Parallel Processing and Real Time Systems, Ferrite Composite Materials, Non Linear Dynamics, Quantum Computations, Mathematical Physics, Semi-conducting Oxide glasses, Organic Synthesis of Molecules of Medicinal Importance, Coordination Chemistry, Semi rings, Algebraic Geometry, Number Theory, Soil Structure Interaction, Slope Stability Problems in Civil Engineering and Robotics, etc.

Programs offered

B.Tech. 4 years	Computer Science and Engineering
	Civil Engineering
	Electronics and Communication Engineering
	Mechanical Engineering
M.Tech.	Computer Science and Engineering
	RF & Microwave System
	Transportation Engineering
Ph.D	Industrial Manufacturing Engineering
	Engineering, Science
BSc.	Mathematics
Diploma	Civil and Mechanical

ICFAI Tech School, Dehradun has well equipped Laboratory facilities in the following disciplines:

Civil Engineering

Department of Civil Engineering has modern laboratories such as Geodesy, Hydraulics, Geotechnical Engineering, and Concrete & Highway Engineering. The laboratories are well equipped and continuously upgraded with modern equipment.

Surveying Laboratory: The surveying lab has all the necessary surveying instruments i.e. chain survey set, compass survey set, plane tabling set, leveling set, Theodolite set, area calculation set etc. Students can learn the techniques for gathering field data with both traditional and modern instruments. There are two surveying labs - surveying lab-1 and surveying lab-2.

Hydraulics and Hydraulic Machines Laboratory: The hydraulics lab is equipped with combined pumps, piping, and tanks setup, to impart hands-on experience and knowledge to students with regard to flow of water under different conditions.

Geotechnical Laboratory: The major equipments are Direct Shear, CBR, Casagrande's Apparatus and Tri Axial Compression Test apparatus etc. Equipments are used for the engineering classification of soil, studying the compression properties of soil and measuring the permeability, compressibility, and strength of soils.

Concrete Laboratory: The Laboratory is equipped to run standard tests on cement, aggregates, and concrete. Equipments available are meant for testing properties of concrete i.e. workability, strength, modulus of elasticity and shrinkage etc. It provides the facility to measure aggregate properties as they affect mixture proportioning. The lab includes the facility on cement test i.e. setting time, fineness and soundness test etc.

Transportation Laboratory: The major equipments are Benkelman Beam, Marshal Stability Test and Ring Ball test apparatus etc. These are used for conducting field and laboratory Tests on sub grade, aggregates, bituminous materials and bituminous mixes.

Computer Science and Engineering

The Department has well equipped computer laboratories containing sufficient number of computers to conduct lab sessions. The computers are dual boot (Windows/ Linux) systems and all are connected to servers. These labs mainly cater to the needs of OOP's, JAVA, PL/SQL and .NET programming needs of the students.

Specialized Computer Laboratory: There are 39 computers in this lab. Configuration of the computers is Processor-Core 2 Duo, RAM-2GB, HDD-320GB. Hands-on learning expertise is provided by allowing students to work on system programs that implement the concept learned in lectures and primary text reading. This contains key operating system and system programming concept for Unix/ Linux and Window XP/2000.

The labs use MySQL, SQL server 2005, Oracle10g, etc., as Database software, C/C++, java programming language compiler, Matlab etc., and Linux/Unix, Window XP/ Window2000 etc. as operating system. Advance software such as Visual Studio, Eclipse and Netbeans etc., are also used.

Electronics and Communication Engineering

The Electronics and Communication Department has laboratories in the areas of Basic Electronics, Microprocessors and Microcontrollers, RF & Microwave Engineering, VLSI CAD, Communication Systems, Digital Electronics, Electronic Devices and Circuits and Digital Signal Processing etc. Software tools as Matlab, Tanner tools and Cadence etc., are used.

VLSI-CAD Lab: The VLSI-CAD lab is a state-of-the art laboratory and is equipped with the latest versions of EDA software tools both in the front end (FPGA advantage and Xilinx ISE Foundation series) and the back end (Tanner Tools Pro Complete package).

Microprocessor & Microcontroller: The Microprocessor & Microcontroller Lab is equipped with 8086, 8051 / 89C51 and PIC controller trainers, various interface cards, 8051, PIC 16F877A Development tool kit compiler software along with application cards like ADS, DAC, Stepper Motor control and Elevator. This facilitates students to develop and pursue projects in research areas, like Avionics, Robotics and embedded systems.

Digital Signal Processing Lab: The Digital Signal Processing Lab is equipped with software and hardware facilities like

C Compiler, Simulator and Code generation tools of TMS320CXX, Code Composer Studio of C54X and the C62X Simulation software, like Matlab. There are 22 computers in this lab. Hardware Configuration of Computers is Processor-Core 2 Duo, RAM-2GB, HDD-320 GB. In DSP lab students work with efficient and high speed application specific processors which also promotes research at the institute and facilitates industrial collaboration in research areas, like Real-time motor control, digital-audio and imaging, etc.

Communication System Laboratory: The Communication System laboratory is well equipped with all the basic kit as needed in analog and digital communication. This includes modulator and demodulator kits as used in various analog and digital applications. The application included voice, data, telephone and mobile communication. The lab has also Fiber optic analog transmitter and receiver kit, Fiber optic analog and digital modulation and demodulation kit, Fiber optic advance digital communication kit, Laser diode and glass Fiber kit to carry out large number of experiments.

Robotics Lab: Robotics lab is equipped to conduct research in Analytical Intelligence, Control and Development of robotics systems. The lab includes Boe-Bot test beds with several accessories to conduct experiments in areas of control, navigation, sensing, robovision, etc. The versatile, accurate 5 axis robot arm helps the students understand the actuation mechanisms, robot control, path planning, robot programming through the experimental and demo sessions.

Mechanical Engineering

The Department of Mechanical Engineering has advanced laboratories established in CAD/CAM, Automobile, Metrology, Hydraulic machinery, IC engines, Mechanics of solids, heat and mass transfer, fluid mechanics, measurement techniques etc. and software's like ANSYS, ProE and Cadian are used.

CAD/CAM Lab: The department has advanced facilities in the field of Computer Aided Design & Computer Aided Manufacturing (CAD/ CAM), acquiring expertise to facilitate students to interact with the new CAD/CAM Tools like ANSYS & Pro-E. This lab is for third year students.

Internal Combustion Engines Lab: In this lab students are working on engines like four stroke diesel engine, four stroke petrol engine with four cylinder for measuring engine parameters. Pinsky martin apparatus and cut section models of two stroke & four stroke engines, carburetor, ignition coil, distributor, mechanical fuel pump are used to understand basic working conditions of the engines. This lab is for third year students.

Automobile Engineering Lab: Students get good exposure on automobile equipment like steering gear mechanisms, differential gear box, constant mesh gear box, conical clutch, band & block brake, disc brake etc. This lab contains complete sectional car body in working condition which shows all the automobile parts in motion. This lab is for final year students.

Machine Drawing Lab: Students are learning the basics of the Pro E software and using this one student get the exposure in designing and modeling of various mechanical equipment parts and assemble. Using various tools in this software 3D solid modeling, various joints like riveted, welded, valves, bearings, coupling, pulleys, gears, threads, fasteners, key & cotter joints are designed. Students will do the mini projects using this software. This lab is for second year students.

Engineering Graphics Lab: Students work on the engineering drawing concepts using Cadian software and they learn how to start the engineering drawing from scratch using various commands in the software at the same time: Orthographic views, Isometric views, Auxiliary views, Missing views, Projection of solids, Development of surfaces & Intersection of solids. This lab is for first year students.

Metrology and Machine Tools Lab: This lab is equipped with various precision testing tools which are used in latest industries like Profile projector, Tool maker's microscope, Surface roughness tester and Integrated digital hardness tester. All Digital calipers which are used in industry environment like vernier, micrometer, height gauge, depth gauge, bore gauge etc. are also available. Cylindrical grinding machine, Tool dynamometer, Slip gauges and Spirit level are also used in this lab. This lab is for third year students.

Production Technology Lab: This lab is installed with Crucible furnace, Blow furnace, Spot welding, TIG welding set up, Gas welding set up, Surface grinder, Hand press & Blow moulding machine etc. Students perform various production operations like mould making & casting, hot forging, cold forging, welding operations like Gas, Spot and TIG etc. This lab is for third year students.

Mechanics of Solids Lab: This lab is equipped with various material testing machines like Universal Testing Machine (UTM), Spring testing machine, Torsion testing machine, Impact testing machine and Hardness testing machine. This lab is for Second year mechanical and civil students.

Refrigeration & Air-conditioning Lab: This lab is equipped with Refrigeration testing, Air-conditioning testing equipment which give the complete knowledge in this area at the same time help to study about the compressors, condensers, evaporator's etc. This lab is for final year students.

Measurement Techniques Lab: Students carry out various experiments in measurement techniques lab and acquire expertise in handling Linear variable differential transducer (LVDT), Displacement Transducer, Capacitance Transducer, Resistance Temperature Detector (RTD), Light Dependent Resistor (LDR), Thermistor, Thermocouples, Mechanical sieve shaker, Redwood viscometer etc. Students learn how to do the calibration of various sensors. This lab is for second year students.

Fluid Mechanics Lab: The fluid mechanics lab is installed with various setups like rotameter, elbow meter, orifice meter, pitot tube, Reynolds number, venture meter etc. Students are calibrating these equipments using fluid mechanics fundamentals. This lab is for second year mechanical & civil students.

Hydraulics & Hydraulic Machinery Lab: The hydraulics lab is equipped with Francis turbine, Kaplan turbine, Pelton wheel, Centrifugal blower, Jet pump, piping setup, free vortex and forced vortex flow setups to impart hands-on experience and knowledge to students with regard to flow of water under different conditions. This lab is for third year mechanical & civil students.

Heat and Mass Transfer Lab: This lab is equipped with various setups working under conduction, convection & radiation to measure thermal conductivity, emissivity, natural & forced heat transfer, pin-fin and composite walls, heat exchangers etc. This lab is for third year students.

Workshop: Workshop contains various machine tools and equipment like CNC lathe, Capstan lathe, Turret lathe, Wood turning lathe, along with Shaper, Planner, Drilling machine, Bench grinder, etc. Students get the hands on training in various areas of workshop: a. Lathe machine shop; b. Shaper; c. Drilling; d. Fitting; e. Arc welding; f. Sheet metal; g. Carpentry; h. Electrical wiring.

ICFAI Law School

The ICFAI Law School is a constituent of the ICFAI University, Dehradun. The programs offered are duly recognized by The Bar Council of India. Since its inception in 2004, ICFAI Law School is on the path to achieve its objective of developing well equipped and dedicated legal professionals for both Bar and Bench through a comprehensive body of integrated knowledge, rigorous education and certification programs. The main focus is on academic excellence and to strengthen by a drive towards diversifying the gamut of student activities.

External rating agencies have recognized the strengths of ICFAI Law School, IUD and rated accordingly as shown below.

S. No.	Ranking Agency	Category	Ranks in 2017-18
1	Career 360	National	• Ranked 1 st in Uttarakhand with rating of AAA, January 2018
2	Neilson Survey – India Today	National	• 3 rd Among the Pvt. Law Colleges of North Zone • 5 th Among the Top Pvt. Colleges in India • 8 th Among the Top Law Colleges in India

The ICFAI Law School at present offers five years integrated

BBA-LL.B. (Hons.) and BA-LL.B. (Hons.), three year LL.B. and one year LL.M. programs. The University also encourages research activities by offering Ph.D for higher research education. ICFAI Law School facilitates its students to explore their intellectual potential and encourages their professional development through its career oriented courses and compulsory internships in Law Firms, MNCs, NGOs, Advocates, International Organizations, State and Central Government departments etc. The programs are thus designed to impart legal knowledge and skills, both functional and integrative to the students to make them leaders in their professional life.

Programs offered:

Doctoral Program	Ph.D. in Law	4 years (Min.)
PG Program	LL.M	1 year
UG Programs	BBA-LLB (Hons.)*	5 years
	BA-LL.B (Hons.)*	5 years
	LL.B*	3 years

*ICFAI Law School provides one month internship after completion of every academic year through its placement executive.

Techno-Infrastructure

Latest hardware and software infrastructure are provided to cater to the computing needs of all the students and the training needs of information technology related courses.

The campus is covered by Wi-Fi network, which provides 24x7 Internet connectivity. The ICFAI Law School also provides connection to all legal database websites. The students can therefore engage in online legal research and also access the vast information resources from the internet without any impediment.

The Library

Law Library Details - April 2017 to March 2018

1	Total No. of Law Books	6376
2	Expenditure of books in the Year	`4,01,013
3	Total No. of journal Magazines	20
4	Expenditure of journal/ Magazines	`1,34,166
5	Online Database Manupatra, etc	`88,500
6	Online Database West Law	`3,83,500
7	Electronic version of AIR (Judgments of High Court and Supreme Court, 1950 onwards)	`1,67,314
8	Total Expenditure on Law books and periodicals in the year 2017-2018	`11,74,493

Mentoring Process

Each student is assigned a Faculty Mentor who tries to help students with their academic and non academic issues. The mentor counsels the student and helps student to cope up with the rigor of College life. It helps the students to get confidence, plan the future and understand the expectations of the University. It involves the students in team building and social interactions.

Academic Counseling Committee (ACC): Students who are weak in studies or who are not able to meet the academic requirement are counseled, assisted and advised as to how they can improve their performance.

ICFAI Education School (IEdS)

ICFAI Education School, a constituent of the ICFAI University, Dehradun aims at developing a new cadre of teaching professionals through a rigorous full-time B.Ed program. As a professional institution of teaching, the ICFAI Education School has a responsibility to prepare qualified professionals in teaching and academic leadership.

B.Ed. Program (2 years Full Time Campus based)

ICFAI Education School has conceived and developed a unique B.Ed Program to train the teachers to meet the challenges of emerging trends and competitive environment. The curriculum and pedagogy adopted are exploratory and reflective in nature. An applied approach to learning is followed keeping in view the national and international standards of Education. Emphasis is given to holistic development of the students to meet the ever-changing demands of Education through our two year full-time program. The prospective Teachers receive a unique opportunity by engaging them actively and thoughtfully in the relevant process and issues in Education. The purpose of curriculum is to develop the domain of knowledge, teaching skills, IT skills and soft skills within the behavior of the prospective teachers. Students are trained in computer aided learning ambience where they get an opportunity to appreciate the application of IT in school education.

ICFAI Education School believes in concentric learning approach that is specifically designed to facilitate 'learning for wisdom and understanding'. The approach adopted aims at imparting intellectual and creative skills to the learners in an integrated and well- processed manner. The educational methodology followed here is an optimal blend of innovative teaching approach that strengthens the stance of the learners in the age of mounting competition. It includes the following:

Intensive Teaching Workshops: Students undergo training in intensive teaching workshops that facilitate minds-on learning in them.

Soft Skills Development: Soft Skills, which are very crucial for career, are conducted on weekly basis. This helps students in their overall personality development and makes a positive contribution to the organization they work for.

IT Labs: In the age of technological revolution, ICFAI Education School realizes the need to train its students on IT skills through

its specially designed IT Labs, which are equipped with latest hardware and software infrastructure. Round the clock internet facility is available for the students for continuous search of knowledge.

Seminars: Students are encouraged to take part in weekly seminars on various topics related to Education. The faculty evaluates these seminars and provides necessary inputs to the students for further improvement.

Co-curricular Activities: Co-curricular activities are organized every week to promote personal development outside the classroom.

Talk Fests: ICFAI Education School has created a niche for itself in imparting quality Teacher Education Program through its Talk Fest Program. The objective behind Talk Fest is to instill a research bent of mind among the students by helping them gain a pragmatic understanding of contemporary pedagogy.

Projects: ICFAI Education School believes in promoting hands-on learning among its students through various projects on Foundation & Methodology courses and Case Studies.

Case Study Project: This approach helps the B.Ed trainee to have an overall picture of the child's environment and to have an observation on child's health and physical, emotional and social development from conception up to data collection.

Teacher Internship Program: The Teacher Internship program (TIP) of three months forms an important component of B.Ed Program. TIP, which is a simulation of real work environment in schools requires the student to undergo the rigors of professional environment both in form and substance through microteaching, macro teaching and simulated social skill teaching sessions.

Placements: The ICFAI Education School gives utmost importance to ensure success to the B.Ed. graduates to achieve suitable placement through campus selection. For achieving success in this area it has developed a strong network with the reputed schools of the region. A strong placement cell works for developing a network by conducting seminars, internships, projects and other initiatives. All pass out B.Ed graduates of the last six batches have been placed in leading schools of Uttarakhand, Delhi, Haryana, Punjab, HP, UP and other States.

Ph.D. Program

Table A: Ph.D. Awardees

S. No.	Name of Student	Degree	University (Year)	Ph.D. Status
1	Harsh Vardhan Kothari	MMS (Five Year Integrated Course) Post Graduate Diploma in Labor Law	BITS, Pilani, University of Rajasthan,	Ph.D. Thesis defended
2	Gaurav Bhandari	M.Tech B.Tech	Uttarakhand Technical University, Dehradun, 2011 Uttar Pradesh Technical University, Lucknow, 2005	Ph.D. Thesis defended

7. Distance Education Programs

Establishment of Directorate of Distance Education

The University has established Directorate of Distance Education to offer Bachelor's and Master's programs in Management and Information Technology under distance learning mode in the year 2007.

Approvals & launch of programs

The Distance Educational Council (DEC) through its letter No. DEC/ICFAI/Dehradun/6165 dated 23.10.2007 has approved the ICFAI University, Dehradun to launch programs through distance education mode.

Further, on recommendations of the Expert Committee, Program wise Approval was granted through Letter No. DEC/ICFAI-DDN/UT/2011/6774, dated 24th August 2011.

Programs offered

Directorate of Distance Education offers following programs under distance learning mode:

PG Program: MBA

MBA: The Master of Business Administration (MBA) Program offered by the Directorate of Distance Education is designed to provide both a portfolio of strong functional skills and the ability to apply, adapt and integrate those skills in different management settings.

Eligibility: Graduation (any discipline) with 45% and above aggregate marks.

Duration: The program should be completed within a maximum period of 5 years.

UG Program: BBA

BBA: The Bachelor of Business Administration (BBA) Program aims to impart knowledge and understanding of the basics of management. It is designed for students seeking a career in management after graduation and also for those who wish to progress to the MBA qualification later.

Eligibility: 10+2 (any discipline)

Duration: The program should be completed within a maximum period of 6 years.

Admission Procedure: Students willing to enroll into the program are required to submit the application form along with the prescribed admission fee. All students who fulfill the eligible criteria will be enrolled into the program and their enrollment will be confirmed.

Students are required to register separately for each module/ year by paying a prescribed registration fee. Such students will be provided self-learning material.

Counseling Classes: Counseling classes constitute an important component in the distance learning methodology. They enable students to gain an in-depth understanding of the subjects through interaction with the faculty and other participating students.

The counseling classes are conducted at the Study Centres within the State of Uttarakhand. Students are advised to attend the counseling classes.

Study centers: The ICFAI University has four study centers in the state of Uttarakhand.

Study Centre - I
University Campus, Rajawala Road, Central Hope town, Selaqui, Dehradun-248197
Study Centre - II
7B, 1 st Floor, Astley Hall, Rajpur Road, Above Ahuja Pathology Lab, Dehradun-248001, Uttarakhand

Evaluation Criteria

The examinations are conceived, developed and administered on a rigorous and fair basis to bring out the best in the students and prepare them for challenging careers. The Examinations are conducted as follows.

Continuous Evaluation: Continuous evaluation will be in the form of Assignments which forms 30% weightage.

Term-End-Examinations: These are conducted twice a year in March-April and September-October. The weightage is 70%.

8. Resources & Facilities

Faculty

The faculty brings their extensive knowledge, professional experience and advanced education to their task. The faculty members have very good academic backgrounds and sound conceptual knowledge in their respective disciplines.

Computing Facilities

The campus is provided with the necessary latest hardware and software infrastructure to cater to the computing needs of all students, faculty and the training needs of information technology related courses. It is equipped with Servers and Terminals with multiple operating systems enabling a Client - Server environment. High Speed Internet connectivity is provided to all students.

Library Facilities

The campus has well-stocked library. Students have access to the finest selection of contemporary books and Resources and Facilities @ IUD journals which supplement the prescribed reference books and textbooks. The library is augmented with books, periodicals, journals, magazines and other publications on a regular basis.

Hostel Facilities

The University has taken on contract Boys and Girls Hostels with amenities as 24 hr power back-up, Wi-Fi Facility, Sports and recreation facilities, Mess, first-aid, washing and transportation to and from University. A resident faculty would act as warden. Tie up with local dispensaries/doctors has been done to take care of emergency medical care for the inmates.

Seminars

Students may participate in seminars on management topics and make presentations of the same in the class. These are

done under the guidance of the faculty to hone the reading, summarizing and presentation skills of the students apart from inculcating the reading habit in students.

Guest Lectures

Eminent academicians and practicing professionals are invited for guest lectures. Students get an opportunity to interact closely with them and understand the practical applications of various management concepts and ideas pertaining to management, law and science & technology.

Hi-Tech Specialty Labs

The students at ICFAI University stand to benefit from specialty labs at the University campus. These include:

- Texas Instrument (Lab) by Texas Incorporation, USA: This facilitates imparting knowledge about Wi-Fi Technology and Internet of Things (IoT).
- Northern Region Hub by FOSS Project (Ministry of HRD), IIT Bombay: To facilitate conducting workshops and symposiums, jointly sponsored by ICFAI University-Dehradun and FOSS Project, IIT Bombay, in four States (UP, UK, HP and J&K).
- Knowledge Partner, FOSS Project (Ministry of HRD), IIT Bombay: To facilitate use of FOSS (Open Source Software) for developing course material online.
- E-Yantra Robotics Lab by IIT Bombay: This facilitates establishing Robotics Incubation Centre that serves as knowledge & resource centre for robotics.
- Virtual Lab Resource Center by IIT Delhi: To facilitate imparting knowledge to engineering graduates about conducting different types of experiments and use of simulators.

9. Faculty and Support Staff

The University has a pool of faculty with good academic credentials and industry experience. Some of the faculty members have Ph.D from reputed universities; some have passed out from IITs. The current faculty strength of the University is 61. The details of faculty strength and their profiles are as follows:

ICFAI Business School (IBS)

S. No.	Name of Faculty	Degree	University	Year	Exp. in years
1	Dr. Manish Kumar Srivastava	Ph.D	DDU Gorakhpur University	2007	13
		M.Com	DDU Gorakhpur University	2001	
		UGC-NET	UGC, Delhi	2012	
2	Mr. Raghavendra Kumar Sharma	Ph.D pursuing	The ICFAI University, Dehradun	-	16
		MBA	Sikkim Manipal University	2010	
		LL.B	Dr. BR Ambedkar University, Agra	2002	
		B.Sc	Dr. BR Ambedkar University, Agra	1997	
3	Mr. Sanjeev Malaviya	Ph.D (Management) pursuing	The ICFAI University, Dehradun	-	22

10. Faculty Development Programs

S. No	Name of FDP/MDP	Month & Year	Organized by/ Attended by	Organized at
1	Advances in Information Technology by Certain Solutions & Services.	April 4, 2017	Prof. V.N. Saxena	IUD
2	International Training on 'Global Navigation Satellite System'	January 23-26, 2018	Dr. Anurag Aeron	AIT, Bangkok, Thailand
3	International Conference on Computing	November 11, 2017	Dr. Anurag Aeron	UPES Dehradun
4	International Conference on Computing	November 11, 2017	Dr. Sandip Vijay	UPES Dehradun
5	Khaj-2017	October 11, 2017	Dr. Sandip Vijay	IIT Roorkee
6	IISF-2017	October 13-16, 2017	Mr. Amit Das	Anna University, Chennai
7	"Hand on Training on MATLAB Software" at UTU Campus	September 22-23, 2017	Dr. Sandip Vijay	ICFAI Tech School & UTU
8	R Analytics	January 22, 2018	Dr. Ajay Prasad	ICFAI Tech School
9	Robotics	January/ February 31-02, 2018	Dr Rajesh Kumar	ICFAI Tech School
10	One Day workshop on "Preparedness for NAAC Accreditation"	September 01, 2017	Prof R P Kaushik	IUD
11	Two Day workshop on "New NAAC preparation"	September 22-23, 2017	Dr C D Suntha	IUD
12	Art of Living	January 22-25, 2018	Mrs Sweta	ICFAI Tech School
13	Wordsworth English Language Lab Training in IUD	23/8/2017 & 24/8/2017	Dr. V N Saxena	IEdS
14	Future Technology Changes in Higher Education in IUD	06/01/2018	Dr. Hari Krishna Maram Attended by IEdS Faculty	IUD
15	Learning Outcomes in IUD	17/5/2018	Prof. Sarita Negi	IUD

11. Conferences/Seminars/Workshops

ICFAI Business School (IBS)

Seminars Conducted

S.No	Faculty Member	Seminar Topic	Date
1	Dr. Vidhu Nath Saxena	Using Solver in Advanced Excel	03-10-2017
2	Dr. Ankita Srivastava	Determinants of E-Start Ups in India	07-11-2017
3	Dr. Amit Joshi	Understanding and communicating with the next Generation	14-11-2017
4	Dr. Amit Joshi	Stress Management	21-11-2017
5	Prof. Sonia Gambhir	Affect of Branding on Consumer Purchase decision	28-11-2017
6	Prof. Puneet Kumar Garg	Alternate reserve sources for the Bank	05-12-2017
7	Prof. Sonia Gambhir	Analysis of Mutual Funds Schemes	19-12-2017
8	Prof. Sanjeev Malaviya	"Quality of Higher Education Service and Its Impact on Students' Perceived Value, Satisfaction and Loyalty: An Empirical Study of Universities of Uttarakhand"	04-01-2018
9	Dr. Manish Kumar Srivastava	Consumer behavior related with Outlet Selection	11-01-2018

Papers Presented in Conferences:

S.No	Name of Faculty	Title of Paper	Details of Conference
1	Dr. Rashmi Chaudhary	Development of micro, small and medium industries and make in India in Uttarakhand	Emerging India and Second Generation Reforms: Initiatives and Implications (April, 2017). Organized by:- Department of Applied Economics, Lucknow University
2	Dr. Rashmi Chaudhary	Demonetization and its impact on Indian economy	Demonetization, Digital India and Cashless Economy: A Socio Economic Transformation (March, 2017). Organized by:- Institute of Business Studies, CCS University, Meerut.
3	Dr. Rashmi Chaudhary	Development of entrepreneurship in Indian women	Development of Women Entrepreneurship in India. Organized by: Department of Economics, INMPG College, Meerut.

ICFAI Law School

Conferences /Seminars /Workshops attended by the Faculty outside IUD

S.No.	Name of the Faculty	Title of Paper	Event	Date	Organized by
1	Mr. Avishek Raj	Conservation of Biological Diversity in India: A Critical Study of Legal Frameworks	International Conference on "International Environmental Law and Rights to Development"	January 13-14, 2018	Patna University, Patna
2	Mr. Alok Kumar	Sustainability of Environment and Human Rights: An Analysis	International Conference on "International Environmental Law and Rights to Development"	January 13-14, 2018	Patna University, Patna
3	Dr. Navtika Singh	Judicial Accountability: Interpretation – The Pre-requisites of Judging	National Seminar on Balancing Roll of Three Wings of the State towards India's Development	25-26 November, 2017	Law Commission of India and Niti Aayog
4	Mrs. G. Vinodini Devi	ADR in Family Dispute- An Effective means for Access to Justice	International Conference on "Mediation & Negotiation as Emerging Trend of Dispute Resolution Mechanism".	12-13 November, 2017	University Institute of Legal Studies, Punjab University.
5	Mrs. G. Vinodini Devi	Water and the Laws	International Seminar on "Water Laws & Resource Management: Challenges and the way A head".	3-4 November, 2017	UPES School of Law, Dehradun
6	Mr. Alok Kumar	New Dimensions in Environmental Jurisprudence in India	National Seminar on Environmental Adjudication	11-Nov-2017	Chotanagpur Law College, Ranchi
7	Mrs. G. Vinodini Devi	Terrorism Vs. Democracy in India	National Symposium on "Crime & Criminology 2017"	17-Sep-2017	Droit Penale: Indian Law Journal on Crime and Criminology in association with Arjun Das Gulati Memorial Society, Allahabad
8	Mr. Gaurav Mittal	From Social Stigma to Social Acceptance: A welcome step	International Conference on "Right to Privacy	14-Oct-2017	The North Cap University (NCU), Gurugram.

Papers Presented at Conferences/Seminars

S. No.	Author(s)	Title of Paper Presented	National/ International	Month & Year	Organized by
1	Dr. Navtika Singh	The Relationship between Ananda & Morality: Diagnostic study of Teaching Profession	National	March, 2018	Department of Philosophy, Bankura Christian College
2	Mr. Gagan Gulati	The Relationship between Ananda & Morality: Diagnostic study of Teaching Profession	National	March, 2018	Department of Philosophy, Bankura Christian College

ICFAI Tech School

Seminars Conducted at IUD

S. No	Name of Faculty	Seminar Topic	Dept.	Date
1	Dr. Sandip Vijay	How to write a research paper and preparation of project for Research funding	Tech	29/11/2017
2	Dr. Ashish Sharma	Consultancy Process	Tech	30/11/2017
3	Mr. Amit Kumar Bera	Application of Nano-Technology in Pavement Engineering.	Civil Engineering	27/04/2018
4	Mr. Tuhin Patari	Structural Response of Tall Buildings to Multiple Floor Fires	Civil Engineering	04/05/2018
5	Mr. Dharampal Singh Kandari	Use of Waste Material in Road Construction	Civil Engineering	11/05/2018
6	Dr. Anurag Aeron	Remote Sensing & its Applications	CSE Tech	09/03/2018
7	Ms. Abhilasha Chauhan (RS)	Intelligent Transportation System	CSE Tech	16/03/2018
8	Mrs. Anita Sethi (RS)	Mobile Ad-Hoc Network	CSE Tech	30/03/2018
9	Mr. Laxman Singh Sayana	Cyber Security	CSE Tech	06/04/2018
10	Mr. Nishant Mathur	Web Analytics	CSE Tech	20/04/2018

Papers Presented at Conferences/Seminars

S. No	Name of Faculty	Event	Title of Paper presented	Organized By	Date
1	Ms. Abhilasha Chauhan	Recent Innovation in emerging Technology and Sciences (NCRIETS-2018)	VANET: Future of Intelligent Transport System	JBIT Dehradun	April 6 -7, 2018
2	Ms. Aditi Singhal	Recent Innovation in emerging Technology and Sciences (NCRIETS)	The Significant Role of Human Resource Management in Strengthening the Educational Organizations	JBIT Dehradun	April 6 -7, 2018
3	Ms. Prachi Gupta	Recent Innovation in Emerging Technology and Sciences (NCRIETS)	An Analytical Review on Design Approach for Bandwidth Enhancement Techniques of Micro Strip Patch Antenna	JBIT Dehradun	April 6 -7, 2018
4	Dr. Rakesh Pandey	Recent Innovation in Emerging Technology and Sciences (NCRIETS)	An Inventory Model for Deteriorating Items with Lead Time Price Dependent Demand under Partial Backlogging	JBIT Dehradun	April 6 -7, 2018
5	Mr. G F Chakravarthi	Recent Innovation in Emerging Technology and Sciences (NCRIETS)	Material Characterization of Cu-Pb-Graphite Metal Matrix Composites	JBIT Dehradun	April 6 -7, 2018
6	Mr. Laxman Singh Sayana	Recent Innovation in Emerging Technology and Sciences (NCRIETS)	Real Time Attack Detection using SNORT	JBIT Dehradun	April 6 -7, 2018
7	Dr. Mukul Jain	Recent Innovation in Emerging Technology and Sciences (NCRIETS)	A Multiple Objective Model for Scheduling Staff in Fire Station	JBIT Dehradun	April 6 -7, 2018
8	Mr. Nishant Mathur	Recent Innovation in Emerging Technology and Sciences (NCRIETS)	Data Mining & Fraud Detection: Two Faces of Same Coin.	JBIT Dehradun	April 6 -7, 2018
9	Mr. Sanjeev Kumar	Recent Innovation in Emerging Technology and Sciences (NCRIETS)	Best Fit Technique to Schedule Class Rooms In University Course Timetabling Problem	JBIT Dehradun	April 6 -7, 2018
10	Mr. Sanjeev Kumar	Recent Innovation in Emerging Technology and Sciences (NCRIETS)	A Heuristic Approach to Solve Course Assignment Problem	JBIT Dehradun	April 6 -7, 2018
11	Mrs. Malvika Sen	International Conference on Science, Spirituality and Civilization	Synthesizing Science and Spirituality for a Holistic Development of Human Civilization	IIT Roorkee	March 14-15, 2018

Workshops conducted

S. No	Name of Faculty	Workshop Topic	Dept.	Date
1	Dr. Anurag Aeron	R-Analytics & Cyber Security	CSE & ECE	22-23 Jan, 2018
2	Dr. Anurag Aeron	Application of IOT in Robotics	CSE, ECE, ME	01-02 Feb, 2018

STC/Training conducted

S.No.	Title of the STC/ Training	Duration (from-to)	No. of Participants	Coordinator
1.	Cloud Computing	23-27 Oct, 2017	31	Dr. Anurag Aeron
2.	Application of AutoCAD in Engineering	6-10 Nov, 2017	12	Dr. Anurag Aeron
3.	Open Source Technologies	13-17 Nov, 2017	29	Dr. Anurag Aeron
4.	R-Analytics	22-23 Jan, 2018	23	Dr. Anurag Aeron
5.	Robotics in Engineering	01-02 Feb, 2018	41	Dr. Anurag Aeron
6.	Soft Computing Techniques using MATLAB	05-09 Mar, 2018	20	Dr. Anurag Aeron

Seminars/Workshops/Conferences attended by the Faculty outside IUD

S.No.	Event	Date	Participation	Organized by
1	International Training on 'Global Navigation Satellite System'	January 23-26, 2018	Dr. Anurag Aeron	AIT, Bangkok, Thailand
2	International Conference on Computing	November 11, 2017	Dr. Anurag Aeron	UPES Dehradun
3	International Conference on Computing	November 11, 2017	Dr. Sandip Vijay	UPES Dehradun
4	Khoj-2017	October 11, 2017	Dr. Sandip Vijay	IIT Roorkee
5	IISF-2017	October 13-16, 2017	Mr. Amit Das	Anna University, Chennai
6	12th Uttarakhand State Science and Technology Congress (UCOST) "Green synthesis of zinc oxide nanoparticles using Moringa oleifera leaf extract- A promising anticancer agent" & "Hematological profile of petroleum workers in Uttarakhand region"	March 07-09, 2018	Dr. T. K. Mandal	UCOST, Dehradun
7	2nd Himachal Pradesh Science Congress (HIMCOST) "Cytotoxicity of ZnO-Fe ₃ O ₄ magnetic composite nanoparticles"	November 20-21, 2017	Dr. T. K. Mandal	HIMCOST, Simla
8	3rd National Conference on Recent Advances in Sciences and Technology "ZnO and CuO nanoparticles for the improvement of agriculture"	November 11-12, 2017	Dr. T. K. Mandal	Seemant Institute of Technology, Pithoragarh, Uttarakhand
9	2nd National Conference on Recent Innovations in emerging Technology & Science "Development of nanomaterials for the advanced nanoelectronic device applications"	April 06-07, 2018	Dr. T. K. Mandal	JB Institute of Technology, Dehradun

ICFAI Education School (IEs)

Workshops organized at IUD

S.No.	Topic	Presented By	Venue	Date
1	Peer Tutoring	Prof. Sarita Negi	IUD	19/1/2018
2	Causes and Prevention of deadly disease Cancer	Ms. Atulya Verma	IUD	02/05/2018
3	World Oral Health Day	Prof. Sarita Negi	IUD	20/3/2018

Workshops Conducted at other Institutions

S.No.	Topic	Presented By	Venue	Date
1	Workshop on "Effective Classroom Management"	Prof. Sarita Negi	Sophia School, Dehradun	09/06/2017
2	Work shop on "Use of Effective Teaching Aids to enhance Learning Process"	Ms. Atulya Verma	U.B.S Children's Academy, Dehradun	09/09/2017
3	Workshop on "Peer Coaching and Peer Tutoring"	Prof. Sarita Negi	Sophia School, Dehradun	10/12/2017
