Responsibilities of the Anti-Drug Committee:

1. Promote Awareness

- Organize seminars, guest lectures, and campaigns highlighting the ill effects of drugs.
- Circulate posters, leaflets, and digital content against drug abuse.

2. Ensure a Drug-Free Campus

- Monitor the campus premises regularly.
- Take preventive measures to restrict entry and circulation of drugs within the institution.

3. Provide Counseling & Guidance

- Identify students in need of help and extend counseling support.
- Motivate affected individuals to undergo proper treatment and rehabilitation.

4. Liaising with Police for Anti-Drug Committee

i. Surveillance & Vigilance

- Seek police assistance in monitoring areas around the institution prone to drug peddling.
- Request support for surprise checks, if required.

ii. Incident Reporting

- Immediately inform the police in case of any suspected or confirmed drug-related activities.
- Provide necessary details/evidence to support investigation.

iii. Legal Guidance

- Take inputs from police on legal provisions under NDPS Act and other relevant laws.
- Ensure committee policies are aligned with law enforcement guidelines.

5. Any other responsibility, as required by the regulatory authorities.
