The program structure of B. Tech Electronics and Communication Engineering is approved subject to the following modifications:

- Credit of Minor Project (ECP 2201) in IV semester should be increased to 2.
- Credit of Internship Program -I (ECI 3201) should be increased to 2, and presentation and Viva Voce should be incorporate for the evaluation process.
- Total Credits of course needs to be modified.

The syllabus of B. Tech Electronics and Communication Engineering is approved as it is.

The program structure of M. Tech RF and Microwave Systems is approved subject to the following modifications:

- There must be 6 theory courses in I and II Semester.
- Credit of Seminar in III semester should be increased to 2.

- Credit of Seminar in IV semester should be increased to 2.
- Credit of Dissertation Phase-2 in IV semester should be increased to 22.

The syllabus of M. Tech RF and Microwave Systems is approved as it is.

41.41 Structures and syllabi of B. Tech Computer Science and Engineering and M. Tech Computer Science and Engineering.

The program structure of B. Tech Computer Science and Engineering is approved subject to the following modifications:

- Course code of Discrete Structure should be changed from “CST 2104” to “MAT 2103”.
- Credit of Minor Project (CSP 2201) in IV semester should be increased to 2.
- Credit of Internship Program -I should be increased to 2, and presentation and Viva Voce should be incorporate for the evaluation process.
- Total Credits of course needs to be modified.

The syllabus of B. Tech Computer Science and Engineering is approved subject to the following modifications:

- Topic “Intellectual Property Right” must be incorporated in the syllabi of “Management Concept and Organizational Behavior”.

The program structure of M. Tech Computer Science and Engineering is approved subject to the following modifications:

- There must be 6 theory courses in I and II semester.
- “Advance Mathematics” course must be included in I semester.
- Credit of course “Design and Analysis of Advanced Algorithm” should be reduced to 4.
- Credit of Seminar in III semester should be increased to 2.
- Credit of Seminar in IV semester should be increased to 2.
- Credit of Dissertation Phase-2 in IV semester should be increased to 22.

The Syllabus of M. Tech Computer Science and Engineering is approved as it is.

Minutes of the 37th Meeting of the Research Committee of ICFAI University, Dehradun held on June 30, 2017 at the University campus, Dehradun.

Presented Members:

Dr. Pawan K Aggarwal (Vice-Chancellor)	Chairman
Dr. (Lt Col Ret.) Rattan Raina	Member
Dr. Hari Mohan Mittal, Dean, ICFAI Law School	Member
Dr. Sandip Vijay, Associate Dean, ICFAI Tech School	Member
Dr. Abhay Kr. Tiwari	Member Secretary

The Chairman welcomed the members of the Committee, and put the meeting to order.

The following items of business were transacted:

37.01 Grant of leave of absence, if any

Leave granted for Prof. V. J. Byra Reddy.

37.02 Confirmation of Minutes of the 36th Meeting of the Research Committee

The minutes of the 36th meeting of the Research Committee of the ICFAI University, Dehradun were received and confirmed.

37.03 Follow up action on the Minutes of the 36th Meeting of the Research Committee

Follow up action of the 36th meeting of the Research Committee of the ICFAI University Dehradun were noted.

37.04 Modification in the Ph.D Academic Regulation

Modified Rules and Regulations of Ph. D program were approved with the following observations:

1. Transfer of a Ph.D student from one university to another university may be allowed/accepted. However, course mapping to be done and the balance part of the Ph.D course work, if any, to be completed by the student.
2. A Ph.D student may do a Ph.D. Course from a sister Department/Institute either within or outside the University for which due credit will be given to him/her subject to the approval of Departmental Research Committee (DRC).
3. The Committee suggested that the guidelines for preparation of the Ph. D Thesis, on the lines of the guidelines of authors of papers, should be provided in the regulation.

4. Supervisor will be allotted to each student within first semester and the supervisor will be the convener of the Doctoral Advisory Committee.

37.05 Ph.D. Thesis Title and Supervisor of Mr. Sanjeev Malaviya

The matter placed was approved, and the Committee suggested that the title of the thesis may be reviewed. The suggested title is “Quality of Higher Education Service and Its Impact on Students’ perceived Value, Satisfaction and Loyalty: An Empirical Study of Universities of Uttarakhand”.

37.06 Data uploading regarding Ph. D scholars

The matter placed was received and noted.

37.07 Result of Semester-II Exam

The matter placed was received and noted.

37.08 Any other matter with the permission of the Chair

University has decided to provide scholarship to its full time Ph. D. Scholars.

Annexure 42.06

Modified Ph.D Rules and Regulations (Excluding Forms)

The ICFAI University, Dehradun, Uttarakhand (hereinafter referred to as the University) was established under the ICFAI University Act 2003 (Act No.16 of 2003) passed by the Uttaranchal Legislative Assembly and assented to by the Governor on July 08, 2003. The University believes in creating and disseminating knowledge and skills in core and frontier areas through innovative educational programs, research, consulting and publishing, and developing a new cadre of citizens with a high level of competence and a deep sense of ethics and commitment to their codes of professional conduct.

The degree of Doctor of Philosophy (PhD) shall be awarded by IUD University in the ICFAI Business School, ICFAI Tech School, ICFAI Law School and ICFAI Education School in accordance with the provisions of these rules and regulations in present or amended form, and subject to the conditions laid down therein.

Doctoral Program:

There are three types of candidates who are admitted to the doctoral program:

Type I: **Full Time Research Scholars:** Candidates interested in a career in teaching and/or research may be admitted as full time research scholars. The full-time students would have to work on full time basis in the campus.

Type II: **Part-Time Ph. D for Working Professionals:** Professionals working in various fields including teaching, consultancy, business and industry interested in pursuing academics or enhancing their ability and qualification may be admitted as part-time students. They may work from their respective work place, but would have to attend contact sessions conducted by the University.

Type III: **Part-Time Ph. D for Faculty of ICFAI:** Faculty members in the different disciplines / faculties of the ICFAI System who do not possess Ph. D degree are encouraged to pursue this degree as a part of the faculty development program.

Departmental Research Committee (DRC):

Each Department/Faculty has a "Departmental Research Committee" (DRC), consisting of Head of Department (HOD)/Director/Dean as Chairperson, and 2 to 5 senior faculty members who are active in research. The candidate will closely interact with concerned DRC throughout his/her studentship. DRC will monitor the progress of a candidate through his/her supervisor and DAC members.

Admission Committee

The admission committee is constituted by the Vice Chancellor and looks after all admission related matters of the University. Usually the heads of departments / units of the University are members of the admission committee.

PhD Proposal Screening Committee

This committee is appointed by the Vice Chancellor. This committee reviews the thesis proposals submitted by the students and approves the thesis topic of a student and appoints the PhD thesis supervisor after the student successfully defends his/her thesis proposal.

The Screening Committee would check the quality of the PhD Thesis Proposal of the student. Specifically, it will focus on the clarity of the objectives, thoroughness of the review of literature, proposed methodology and data analysis, and whether the thesis work could make a significant contribution to the existing body of knowledge. The Screening Committee, after deliberations, may decide on one of the following:

- a. It accepts the proposal and recommends approval of the same.
- b. It suggests the student to make revisions in the proposal and resubmit the proposal.
- c. It rejects the proposal, stating reasons.

1. Eligibility Criteria for Admission into PhD Programs

Candidates seeking admission in the PhD Program of any of the schools shall have:

1.1 A two-year post-graduate degree/diploma from a recognized Institution, with 55% marks or equivalent CGPA in concerned subject or cognate or allied/interdisciplinary subject.

(OR)

1.2 A regular, full time M.Phil degree from any recognized University

(OR)

1.3 A one year executive PG degree with at least five years of industry experience

(OR)

1.4 A professional qualification like CFA/CA/ICWA/CS with 55 % and above marks for management candidates.

(OR)

1.5 B. Tech/BE with 75% Marks or 7.5 CGPA on 10 point scale for engineering candidates.

2. Duration of the Program

2.1 PhD Program shall be for a minimum duration of 3 years, including the course work and a maximum of Six years.

2.2 As per the UGC guidelines, extension beyond the above limits will be governed by the relevant clauses as stipulated in the statute/Ordinance of the Individual Institution concerned.

2.3 The students are required to register for subsequent and pay a tuition fee to protect the enrollment as well as to avail the academic and administrative services for extended period or completion of Ph. D thesis, whichever is earlier.

2.4 The women candidates and persons with Disability (more than 40% disability) may be allowed a relaxation of and two years for Ph. D. in the maximum duration.

2.5 The women candidates may be provided Maternity Leave/Child Care Leave once in the entire duration of M. Phil/Ph.D. for up to 240 days.

3. Procedure for Admission

3.1 Admission to the Ph. D Program would be based on Academic Record, performance in the Admission Test and Interview.

3.2 M. Phil degree holder, National Eligibility Test (NET) , Uttarakhand State Level Eligibility Test (SLET/SET) accredited by UGC are exempted from the entrance test.

4. Based on the performance of the candidates in the various components of the admission process and their past academic performance, the admission committee shortlists the candidates and recommends them to the Vice Chancellor for admission to the Ph. D Program. After the approval of the list by the Vice-Chancellor, the selected candidates are offered admission.
5. After a student has been admitted into the Ph. D program, he / she will work for the Ph. D degree in three phases, viz., Course Work, Preparation of Research Proposal, and Thesis Work, Pre- Ph. D. Seminar and Submission. The details of the program are presented below:

Ph. D Program Details

6. Phase I: Coursework

- 6.1 The objective of the coursework is to equip the student with the latest developments in the relevant disciplines, including the tools of research. In the first year the student takes **5 courses of 3 credits** each, spread across two semesters.
- 6.2 Students who receive scholarships¹ are required to maintain a minimum **CGPA of 7.5/10.0** at the end of the course work. Further, a student is also required to secure a minimum grade of 'C' in each course in order to be eligible to continue in the program.

6.3 Attendance

Students are expected to be present in all the classes. However, 75% attendance is mandatory for appearing in the semester examinations. Upto 15 % attendance may be condoned by the Dean/Incharge Ph.D Program in exceptional circumstances out of control of the students.

6.4 Evaluation

The total marks for a course is 100 and will be distributed as follows:

- 1. Internal Evaluations: Class Assignments/Quiz /Book Review (seminar & Presentation) /Research Paper review & discussion etc. (at least two components would be considered): 15%**
- 2. Overall Class Participation: 5%**
- 3. Mid Term Examination: 30%**
- 4. End Term Examination: 50%**

6.5 Question Paper Format

Question papers should adhere to the following format.

Part	Type of Questions	Number of questions	Marks
Part A	Objective type	5 or 10 (Each question carries equal marks)	10
Part B	Short questions	5 (Each question carries equal marks)	50
Part C	Case Analysis/Case lets/Long questions/Applied questions/Case law	3 (Students have to attempt two out of three) (Each question carries equal marks)	40

6.7 Grade sheet

A student will be given A, B, C, D, or E grade based upon his/her marks in the ranges given below.

Range of Marks	Grade
≥ 80	A
60 to < 80	B
40 to < 60	C
20 to < 40	D
< 20	E

6.8 Debarring/Improvement of Grade

- (i) If a student is Debarred in a course, then he/she would be normally given one more chance to re-register after paying the due charges and clear the course.
- (ii) If a candidate gets a grade lower than C, then he/she would be normally given one more chance to re-appear in the exam after paying the due charges and improve the grade.

7. Allocation of Ph.D Supervisor

7.1 Supervisor will be allocated to each student after completion of course work.

7.2 Number of research scholars that can be guided by a supervisor/convener/member at any given point in time is limited to 8 (eight) for Professor, 6 (six) for Associate Professor and 5 (five) for Assistant Professor.

7.2 In case of research topics which are inter-disciplinary in nature, apart from the supervisor, a co-supervisor may also be appointed from outside the Department/ Faculty/ College/Institution, on such terms and conditions as may be specified and agreed upon by the consenting Institutions/Colleges.

8. Role and Responsibilities of a PhD Supervisor

8.1 Supervisor should ensure that the student adheres to the plan indicated in the approved proposal, in terms of the objectives, hypotheses, approved methodology for data collection and analyses, etc.

8.2 Any significant deviations from the approved proposal should be brought to the notice of the Research committee.

8.3 Supervisor has to certify the originality and authenticity of the PhD thesis work of his/her student.

8.4 Supervisor has to give a quarterly progress report of the student to the office of the Dean Research.

8.5 Supervisor will be the convener of Doctoral Advisory Committee (DAC)

9. Doctoral Advisory Committee

9.1 Upon successful completion of the PhD Course-Work, Doctoral Advisory Committee (DAC) will be constituted.

9.2 DAC comprises one convener and two members. Supervisor/DAC is appointed based on the following criteria:

- a. The Convener and members should be from the broad area in which the student opts to pursue the PhD research.
- b. The Convener and members should normally possess a PhD degree in the subject or related discipline.
- c. The proposed convener and members should have **at least four publications** in refereed journals or in journals recognized by the University.
- d. However, a senior professional, holding a PhD degree in the relevant area (related to Management, Engineering, Science, Education and Law), and having long professional experience in organizations of repute, may also be appointed as member of DAC.

The role of the DAC is

- a) To guide the student to sharply focus on the exact area of research and help in formulating the thesis proposal.
- b) To periodically review and assist in the progress of the research work of the research scholar.
- c) To guide the research scholar to develop the study design and methodology of research
- d) The DAC is expected to submit a quarterly progress report of the student to the office of the Dean Research.

The DAC exists till the approval of the Thesis Proposal by the University.

10. Phase II: Preparation and Defense of Thesis Proposal

- 10.1 After the successful completion of the Course work, the candidate would works for preparation of the research proposal.
- 10.2 The student would prepare Thesis proposal document under the guidance of his/her DAC. The proposal approved by the DAC would be forwarded to the PhD Screening Committee for review and consideration.
- 10.3 The student is required to submit the first draft of the Thesis Proposal for review within two semesters after completion of course work.
- 10.4 The proposal draft should not exceed 20 pages excluding the references. To ensure that all the relevant aspects of a PhD Thesis Proposal are covered, students are expected to prepare the draft based on the format presented in Table-1.

Table 1: PhD Thesis Proposal format	
Section	Title
1	Introduction and Motivation (importance) for the proposed research
2	Literature survey (critical review of research papers related to the thesis topic) And identification of research gaps
3	Proposed Research Objectives, Model and Proposed research hypothesis)
4	Research Methodology and the sources of data
5	Expected contribution to the literature
6	List of references
7	Timeline (plan) of Research

- 10.5 The Doctoral Advisory Committee of a student, after satisfying itself, will request the Convener to forward the proposal for approval. The Convener should forward the Thesis Proposal in the prescribed Performa (see Form: PhD/04) to the Dean, Research along with the recommended name and resume of the proposed Supervisor for approval of the Research Committee.
- 10.6 The Screening Committee would check the quality of the PhD Thesis Proposal of the student. Specifically, it will focus on the clarity of the objectives, thoroughness of the review of literature, proposed methodology and data analysis, and whether the thesis work would make a significant contribution to the existing body of knowledge. The Screening Committee, after deliberations, may decide on one of the following:

- a. It accepts the proposal and recommends approval of the same.
- b. It suggests the student to make minor revisions in the proposal and resubmit.
- c. It suggests the student to make major changes in the proposal and resubmit and present the proposal again to the Screening Committee.
- d. It rejects the proposal.
- e. If the screening committee rejects the proposal the student has to work and resubmit the proposal again to the screening committee within a stipulated period of time.

10.7 Once the Screening Committee is satisfied with the proposal it recommends the Thesis Proposal and the Supervisor for approval of the Research Committee.

10.8 Appointment of Supervisors would be done based on the criteria given in section-7.2.

11. Phase III: PhD Thesis Preparation, Pre-Ph.D Seminar and Submission

11.1 In the third year onwards the student has to complete his/her Ph D thesis work and submit the thesis for evaluation after completion of three years from the date of registration.

11.2 Change of title of the thesis by the student is permitted in exceptional cases on taking necessary approvals from the Research Committee. PhD Supervisor has to provide justifications for the change of title and request for the same in a prescribed format available in the Research office.

11.3 Transfer of a PhD student from one supervisor to another supervisor can be effected by the Research committee on the merit of the case.

11.4 PhD Supervisor has to verify, confirm and certify that the thesis data collected by his/her student is genuine.

11.5 While submitting the thesis for evaluation, the dissertation/thesis shall have an undertaking from the research scholar and a certificate from the PhD supervisor attesting to the originality of the work, vouching that the thesis is free of plagiarism and that the work has not been submitted for the award of any other degree/diploma of the same institution or to any other institution.

11.6 Plagiarism percentage is fixed at 25%, and it would be adjusted as per the UGC guidelines.

11.7 An affidavit shall be obtained from the Research Scholar that the thesis is free from plagiarism and in case there is any issue of plagiarism, he alone will be responsible, not the Guide. The Thesis may be cancelled in case of proved plagiarism and that he/she would be liable for disciplinary action as per the norms of the University/Institution.

11.8 PhD student shall individually publish at least two research papers in his/her chosen area in a refereed journal before submission of the thesis for adjudication, and produce evidence for the same in the form of acceptance letter or the reprint.

11.9 PhD student should present at least one research paper based on the thesis work in a conference/seminar, and produce evidence of the same.

12. Progress Seminars

12.1 The student is expected to give at least one progress seminar per semester in his/her departmental seminars until he/she submits the thesis. The seminar tests the students for the following:

- a) Knowledge of basic concepts
- b) Ability to apply the knowledge of basic concepts
- c) Additional knowledge acquired
- d) Ability to analyze a given problem or situation
- e) Logical development of the subject
- f) Effective oral communication
- g) Self reliance, cooperation and moderation

12.2 Evaluation of progress seminars would be done by the respective Supervisors/DAC Conveners at the end of the seminar.

12.3 Two consecutive unsatisfactory grades will be viewed seriously.

13 Registration and Monitoring

13.1. The semester-wise registration of every Ph.D. student shall be done.

13.2. If a student does not register for a semester without seeking exemption, his name may be removed from the rolls of Ph.D. program. A student may seek exemption from Dean, Research, giving reasons for not registering in a particular semester. During such a semester also the student is expected to have regular interaction with DAC which is responsible for monitoring the student.

13.3. At the end of each semester a candidate has to do the following: submit a progress report containing the work done during the semester, give a seminar and also submit the evaluation form duly signed by the Convener of his/her DAC / Supervisor.

14. Guidelines to Candidates for Ph. D Thesis Preparation and Submission:

14.1. Given below are essential dimensions to be borne in mind by the candidates and the Supervisors at the time of submission of a Ph. D Thesis.

Thesis should contain the same Title as approved by the Research Committee. Any change in the Title of the Thesis / Supervisor (see Form: PhD/08) can be made only with the prior approval of the Research Committee. Thesis should be written in English.

14.2. In order to complete the required formalities for submission of thesis the following documents are to be submitted:

14.3. Seven printed / typed and bound copies of the Thesis (each bearing original signature of the candidate and the Supervisor), incorporating the same Title as approved by the Research Committee along with duly completed Ph. D Thesis Submission Form (see **Form: PhD/09**). The Thesis must contain a certificate from the Supervisor declaring that the thesis embodies original work done by the candidate under his/her supervision. Formats of the Certificate and Thesis title page should be in line with the approved formats (see **Form: PhD/7 & 8**).

14.4. Seven typed copies of the Synopsis of thesis to facilitate appointment of examiners.

14.5. The receipt of payment of requisite thesis examination fees (as per University rules).

14.6. Format of the final thesis should be as follows:

a. Thesis Title page (outer cover) as per format given in Form: PhD/8.

b. Certificate from the Supervisor as per format given in Form: PhD/7.

c. Acknowledgements

Abstract of Thesis along with list of key words

i). Table of contents

ii). Chapter 1, 2, 3, 4, etc

iii). Appendices

iv). References

v). Abbreviations

Formats of Thesis Title page (Form: PhD/8) and Certificate (Form: PhD/7) should be strictly adhered to the specified formats. Thesis should have an inner cover similar to the outer cover.

14.7. Prior to submission of the thesis, the student shall make a pre- Ph. D presentation in the Department that may be open to all faculty members and research students, for getting feedback and comments, which may be suitably incorporate into the draft thesis under the advice of the supervisor.

14.8. Candidates shall publish two research papers in a referred Journal before the submission of the thesis for adjudication, and produce evidence for the same in the form of acceptance letter or the reprint.

15. Ph. D Thesis Evaluation:

The appointment of competent examiners to evaluate the Thesis, the conduct of the viva- voce examination-cum-defense of the Thesis by the candidate and the final declaration of the evaluation outcome have to be done in the highest traditions of academic standards set worldwide. The guidelines given below are with this intent.

16. Appointment of Examiners

16.1 The Supervisor will submit a list of proposed examiners to the Registrar. Names and addresses along with the curricula vitae of at least six eminent persons in the field of research, should be proposed in the list (4 external examiners and 2 internal examiners).

- 16.2 The Vice Chancellor will select at least 3 examiners (2 external and 1 internal from the list submitted to him) and form a panel of examiners consisting of the Supervisor and the 3 selected ones.
- 16.3 The examiners may be from India or abroad. At least one examiner will be from outside the State.
- 16.4 The Vice Chancellor may ask the Supervisor or the Registrar to submit more names in the panel of proposed examiners if he so desires.

17. Examiner's Report on the Thesis

- 17.1 Invitations would be sent to the examiners selected by the Vice Chancellor. If they accept to evaluate the thesis, hard copies of theses are sent to them, along with the recommendation forms. The Thesis Examiners have to complete and send their separate review reports on the Thesis along with the recommendation, in the approved format, to the convener PhD Program, within 3 months. An extension of maximum one month may be given for the purpose.
- 17.2 If the report is not received from an examiner within the stipulated period, the Thesis will be sent to another examiner chosen by the Vice Chancellor from the panel submitted by the Supervisor.
- 17.3 In case one of the three examiners has not approved the thesis, the thesis shall be referred again to a fourth examiner, Indian or Foreign as the case may be.
- 17.4 If the verdict of all the examiners does not coincide, arrangements will be made for the examiners to interact and arrive at a unanimous verdict on one of the three alternatives. When there is no unanimity or the Thesis is rejected, the student will be asked to discontinue from the program.
- 17.5 If the examiner(s) suggest a revision and re-submission of the thesis, then the revised thesis duly certified by the supervisor shall be sent to all examiners. If they all approve the revised thesis then the student shall appear for the viva-voce.
- 17.6 When a student is required to revise and resubmit his/her Thesis, his/her status will revert to what it was before the submission of the Thesis.

18. PhD Viva-Voce Examination

- 18.1 Upon approval of the thesis unanimously by all the 4 examiners, viva-voce examination for the student would be scheduled. Normally, the same panel of four examiners will conduct the viva-voce examination, which should be open to research scholars, faculty members and others, all as silent observers.
- 18.2 If, due to some unforeseen circumstances, one of the examiners is unable to attend the viva-voce, the Vice-chancellor may permit to conduct the viva-voce with the remaining three examiners.
- 18.3 A student who is not successful at the viva-voce examination may be permitted to undergo the viva-voce examination at a second time, within a period of three months but not before one month after the first viva-voce.

19. Final Grade and Award of PhD Degree

19.1 Based on the total performance of the student, the panel of examiners would finally give one of the following grades: Excellent / Very good / Good / Unacceptable to the thesis.

19.2 Students who have successfully completed the coursework and achieved “Excellent”, “Very Good” or “Good” grade in the thesis will be awarded PhD degree after approval of the results by the Academic Council.

19.3 Those who get unacceptable has to resubmit the thesis based on the comments given by the viva voce panel within a stipulated period of time.

20. Minimum Academic Requirements for Continuation

- i. A student will not be permitted to continue in the PhD Program under any one of the following situations:
- ii. His/her CGPA, wherever applicable, falls below the prescribed value
- iii. He/ She accumulates two consecutive “Unsatisfactory” grades during the thesis work period
- iv. He/ She fails to submit his/her Thesis / revised Thesis within the time prescribed for such submission.
- v. His/her Thesis is rejected by the examiners
- vi. His/ Her Thesis does not receive unanimous final verdict from the examiners as required.
- vii. Any proven indiscipline.

21. Transfer of the women candidate

Transfer of women candidates from one university to another university may be allowed.

22. Transfer of the credit

If found necessary, course work may be carried out by doctoral candidates in sister Department/Institutes either within or outside the University for which due credit will be given to them.
