**Profile:** - Dr. Swati Raturi is an Assistant Professor at the ICFAI Education School, The ICFAI University, Dehradun. She was awarded her Ph.D. in Education and has a strong academic background with an M.Ed. from HNB Garhwal University, a B.Ed. from IGNOU, and an M.Com. and B.Com. degrees from HNB Garhwal University. Her interdisciplinary academic training has helped her develop expertise in both education and commerce.

Dr. Raturi has over 15 years of teaching experience across different educational levels. She has five years of experience at the university level, nine years at the senior secondary level, and two years at the secondary level. Since February 2021, she has been a faculty member at ICFAI University, Dehradun, where she actively contributes to teaching, research, and academic development in education. Before this, she served as a commerce faculty member at GRD Academy, Niranjanpur, and also taught business communication and management at other institutions in Dehradun.

Her research interests focus on educational technology adoption, e-learning, innovative pedagogical practices, and the integration of artificial intelligence in education. Dr. Raturi has published several research papers and book chapters in reputed national and international journals, including Scopus, ABDC, and UGC-listed journals. She has also presented research

papers at various national and international conferences on themes such as technology-enhanced learning, Bloom's taxonomy in education, social constructivist approaches in e-learning, and ethical considerations of AI tools like ChatGPT in teaching-learning processes.

In addition, Dr. Raturi has contributed to innovation through patents related to AI-driven systems and models for educational technology adoption. She actively participates in faculty development programs, workshops, webinars, and seminars related to research methodology, AI-driven educational technologies, and advanced teaching practices.

Dr. Raturi was selected as one of the Mentors by the National Council for Teacher Education under the National Mentoring Mission (March, 2026) and is known for her dedication to teaching, strong communication skills, and commitment to promoting innovative and technology-enabled education in higher learning.
